

M/WBE Analysis of RFP/Bid Respondents					
RFP/Bid #: BC-09-25-03-67					
Title: Purchase of Thermoplastic Applicator					
M/WBE % Goal: 0.00% Aspirational Composite					
The M/WBE office has performed an analysis of the bid submitted by Lafarge Road Marking and Florida Transcor Inc.. Due to the specific specifications and requirements of the Thermoplastic Applicator, and the availability of the firms, an M/WBE Aspirational Composite Goal was not placed in this bid. The M/WBE office supports the staff's recommendation of Florida Transcor, Inc. due to the fact there is limited possibility for M/WBE utilization to achieve the participation level of services, and they are not subcontracting out any of the services.
